

# ***VFW COMMANDER LETTER***

**From: Your Post Commander David Anthony**

**To: All the members of VFW Post 4051**

**I want to wish everyone of our members a safe, fantastic, and happy holiday season. As many of you are aware we have transitioned into a new building. We're starting a new era with a strong emphasis on dedication and support to our community. As your commander I also would like to make sure everyone of our members know that we're here for you and your family as well. We will always take care of our own!!! This is one of my top priorities. During this season of giving and year-round I would like to ask for your support and help in keeping this post the very best in the country. I am asking for members to attend more of our monthly meetings. I would also appreciate it if more of us would join our volunteer ranks. We have over 500 members in this post and it's really hard to maintain our missions for lack of personnel. This is why we joined this prestigious organization in the first place. We've honorably served our country by being team players new let's bring that to the forefront of this post. We are blessed with great members and all I am asking is let's be all we can be. In closing I am also asking for any input by email from any member that will help up meet our expectations in this coming year! Every opinion and input matters. I am blessed to command such an Honorable organization!!**

**David Anthony  
Commander  
VFW Post 4051**
